

# ASHRAFUL HAQUE AKASH

SENIOR WORDPRESS DEVELOPER

## PROFESSIONAL SUMMARY

Experienced WordPress Developer with 6 years of proven expertise in delivering custom-coded web solutions tailored to client needs. Specialized in Elementor widget development and Genesis Framework customization, with a strong ability to create responsive, pixel-perfect themes from PSD or Figma designs. Skilled in developing custom plugins to enhance WordPress functionality and user experience. Proficient in modern web technologies including HTML, CSS, Bootstrap, Tailwind CSS, JavaScript, PHP, and MySQL. Demonstrates a solid track record in website maintenance, performance optimization, security updates, and long-term technical support. Also experienced in executing projects across platforms such as Squarespace, Webflow, Shopify, and HubSpot to meet diverse business requirements.

## WORK EXPERIENCE

### NOVEMBER 2024-PRESENT

Senior WordPress Developer

(Promoted)

at **CODERLIFT**

At **Coderlift**, I led a team in developing custom WordPress themes and plugins, building responsive, high-performance websites. My role included hotel booking and eCommerce site development, creating custom Elementor widgets, managing hosting, and working with platforms like Webflow, Squarespace, and HubSpot.

### NOVEMBER 2022 - JUNE 2024

WordPress Developer at

**CODERLIFT**

At Coderlift, I developed and customized WordPress websites, created custom plugins, integrated third-party APIs, and maintained site performance. I also built hotel booking websites for clients using the Genesis Framework with WPEngine.

### JUNE 2020-NOVEMBER 2022

Frontend Web Developer

at **Grayic**

At **Grayic**, I spent one year as a frontend developer, building responsive layouts and optimizing web performance. In my second year, I focused on WordPress theme development for ThemeForest, creating high-quality, fully responsive themes with clean code and seamless user experience.
